

Congrès **2011** Congress

New Exhibitor Profile

as of April 15, 2011

Congress 2011 is a forum for industry suppliers to demonstrate the latest in products and services for all members of the baking industry. We are pleased to be able to highlight a few of our newest exhibitor's to this year's event.

All Natural Fruit Flavoured Ingredients

Amazing Fruit Products Ltd.

Through our highly advanced, proprietary natural flavouring process we infuse "only the natural goodness of fruit" in dried fruit to create truly unique Baking Ingredients.

Our products are all natural, fat free, cholesterol free, rich in antioxidants without trans fats, gluten free, peanut free and a good source of iron, potassium and dietary fibre with a shelf life of 12 months. We don't add sugar or chemicals in our process. Our products can easily be incorporated into any production process. Our BRC Certified Facility is totally dedicated to the production of ALL NATURAL products and is completely free of peanuts, nuts and other allergens.

Danisco Provides Ingredient Solutions

Danisco

Danisco provides manufacturers of baked goods with ingredient solutions that address consumers' top health and wellness concerns. We also help solve everyday challenges in processing, shelf life and cost control. Our portfolio includes emulsifiers, enzymes, antimicrobials, hydrocolloids, prebiotic fibers, sugar- and sodium replacers, and tailored blends.

Inventor of Silpat, Flexipan and Silform non-stick bakeware

Demarle

Since it was established in 1965, Demarle SA has been using new technology to develop original non stick products for the food industry which include the first non-stick baguette trays, Silpat® pastry mats and preformed Silform® mats. Silpat® Non-Stick baking sheet is designed for all types of ovens. From bread baking to pastry making, Silpat® can provide even heat transfer to your baked goods! Your talent deserves the best!

Label Systems is a Canadian manufacturer of quality pressure sensitive labeling equipment. Our equipment ranges from table top dispenser, to the fully automatic applicators and systems. Label Systems is constantly abreast of ever-changing technology, of which we incorporate into our equipment.

Golden Gate – Manufacturer of Fine Quality Margarines

Margarine Golden Gate – Michca Inc.

Margarine Golden Gate Michca Inc. is one of Canada's largest margarine companies as well as one of today's fastest growing in the Canadian market place. In 1984, with a company philosophy based on consistent quality, innovation, superior taste and great service, Golden Gate introduced to the market a unique margarine made to compete with the very best. Immediate success came from perfect quality and delicious taste. We quickly became renowned, as we still are today, for the consistency and quality of our products. Additionally we recently expanded further with the acquisition of the Monarch and Covo Brands of quality products.
