

Build a strong career in Canada's Baking Industry with the support of a BAC Student Membership.

For nearly 100 years, the baking industry's most established organization has provided best-in-class support to BAC Members.

BAC's deep understanding of the baking industry's challenges fuels the solutions and programs that remove obstacles and enable opportunities so our Members can thrive. BAC Student Members are enrolled in baking, pastry and culinary programs learning to produce bread, rolls, pizza, cookies, crackers, bagels, sweet goods, tortillas and many other baked products. The baking industry generates more than \$14 billion in economic activity annually and employs more than 50,000 highly skilled people in Canada.
